

Evidencing the Impact of Primary PE and Sport Premium

Tonacliffe Primary School – 2022 – 2023 – July Review

The Department for Education Vision for the Primary PE and Sport Premium:

ALL pupils leaving primary school should be **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 6 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport and transition into community sport
6. improved collaboration with local networks

SECTION 2 – REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT? 2022-2023

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<p>Academic year 2021-2022:</p> <ul style="list-style-type: none"> • Some staff received CPD and up-skilling of delivery of PE through FUNDA team teaching some lessons. • New SoW was put onto class iPads and all teachers use the app for the delivery of their lessons. • SEN children took part in inclusion events, both a club and competitions, before the Covid pandemic. • A new sports crew was elected and trained up. • They lead games at breaks and lunch times as part of active playtimes. • Due to Covid 19, the gold Games Mark was carried over from last year. • School then received a Virtual Games Mark award. • FUNDA started running after school sports clubs in line with the competition calendar. This worked well and will continue. • All classes had equipment to encourage active playtimes. • Lessons were adapted in line with Covid-19 guidance. Extra cleaning between sessions was carried out. This has now ceased and all classes receive at least 2 hours of physical activity a week including PE lessons and forest schools. • All children came to school in PE kit so that they did not need to get changed. This worked well and will continue so that more time can be spent taking part in the lesson. 	<ul style="list-style-type: none"> • Focus on our P.E. curriculum to ensure high quality lessons are being delivered for all pupils. This includes ensuring differentiation is occurring. • EYFS to use the Lancs SoW on the app. • More intra-school competitions. • More inter-school competitions. • A new sports crew was elected and training was given from RSSP. • Children who are able and talented in PE have been identified and challenged to continue to achieve highly. All staff are aware of these children as it is uploaded on a joint document for each unit each class teaches. • Lots of after school sports clubs have been delivered, in line with the RSSP competition calendar. • Gold Games Mark to be achieved. • Continue to ensure all children are physically active every time they have outdoor time. • The PE display board is regularly updated. • PE lesson observations and moderations have been carried out. 	<ul style="list-style-type: none"> • Over 90% of Y6 children will meet the expected standards in swimming. • Over 85% of children in each year group will meet the expected standard. • Sports crew will elect and train up new members from year 3 so that active playtimes continue. • Pupil interviews to be carried out to assess learning / sticky knowledge. • Lesson moderations to be carried out. • More SEN, Pupil Premium and EAL children to be encouraged to attend after school clubs. • More SEN, Pupil Premium and EAL children to be selected for competitions.

1. Key outcome: The engagement of all young people in regular physical activity						
All children to achieve at least one hour of physical activity each day and two hours of PE each week.	Sports crew to lead games at break and lunch times. Play leaders to encourage anyone not partaking in physical activity to join in. Evaluate playground equipment and replace any that needs replacing.	£250	Total for KPI 1: £15740	Sports crew to continue and elect new members from year 3. More training for new members. Active playtimes encouraged through sports crew and teachers.	Sports Crew are doing some jobs and games at break times but need more training and new members need electing. FUNDA coach leads a sports activity each dinnertime varying age groups and activities he delivers in order to achieve participation by as wide a group of children as possible.	New Sports Crew will need electing for next academic year as members of current sports crew will be leaving for high school. FUNDA coach will continue to lead an increasingly wide range of sports activities at lunchtime.
