Monday 11th September

Dear parent/ guardian,

School Council Sponsored Run Event

Our annual sponsored run is back again this year and it will be taking place during week beginning **Monday 9th October**. The sponsored run takes place on the school field and the aim is for our children to complete as many laps as possible in a given time. Parents, friends and family can sponsor as much or as little as they want. More information will be provided closer to the time as to which day your child's class will complete their sponsored run. Please ensure your child wears their PE kit and has their water bottle in school on their given sponsored run day.

This year the money raised will be shared between our school funds and the charity chosen by our school council. This will be determined after the school council elections, which are due to take place in September.

Although we don't invite parents to this event, you will be able to see some of the action as photographs will be included in the newsletter afterwards so please do keep an eye out for this!

The sponsor form is on the reverse of this letter.

Please return the sponsor form along with any sponsor money by Friday 13th October.

Thank you for your continued support,

Miss Coxhead and Miss Gould (School Council Leads)
