26th September 2023

Smoothwall Coffee Afternoon

Wednesday 4th October at 2:15pm.

Dear parent/guardian,

As part of our online safety provision in school, we use a monitoring system called Smoothwall. This ensures that anything which is inappropriate or concerning on our digital devices is flagged up to the safeguarding leads in school and issues can be dealt with.

Kat Howard, Head of Education for Smoothwall, is coming into school to deliver a workshop for parents/guardians which will cover many aspects of the online world. She will discuss some of the latest trends that the children are seeing online, some of the apps the children are using and offer safety and guidance for parents and will answer any questions you may have. This is a 'must do' workshop and will help you to stay one step ahead of your children – whatever their age.

Feedback from staff and parents at previous workshops has been incredibly positive and they valued the advice and tips provided.

We do hope you will be able to attend on Wednesday 4th October 2023 at 2.15pm – tea, coffee and biscuits will be available too! The session will end at 3.15pm.

We look forward to seeing you there.

Kind regards,

Mrs Joanne B. Heap
