

Monday 26th February 2024

Last half term at a Lancashire school, a child was hit by a car at the end of the school day when leaving the school grounds.

The Road Safety Education team would like to remind families of the importance of using the roads around school responsibly and safely. Please do not park on double yellow lines, block drives or other areas where children may be crossing and please drive within the speed limit around school.

There are also a variety of resources for children to learn more about road safety.

Children in Turquoise Class have been baking bread as part of their DT work– the children amended a recipe in order to incorporate new ingredients and then followed the recipe to make the bread. Some children chose for the user of their product to be themselves, whilst others made it for a family member. Those who made it for themselves tasted it and we all evaluated how successful the process and product has been.

The children were absolute superstars whilst doing this and we were really impressed with the results!

Please remember to visit our website for long term dates. Thank you.

ONLINE CONTENT

10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

1 MONITOR VIEWING HABITS

Whilst most apps have moderation tools, inappropriate content can still slip through the net.

2 CHECK ONLINE CONTENT

Understand what's being shared or what seems to be 'trending' at the moment.

3 CHECK AGE-RATINGS

Make sure they are old enough to use the app and meet the recommended age-limit.

4 CHANGE PRIVACY SETTINGS

Make accounts private and set content filters and parental controls where possible.

5 SPEND TIME ON THE APP

Get used to how apps work, what content is available and what your child likes to watch.

6 LET CHILDREN KNOW YOU'RE THERE

Ensure they know that there is support and advice available to them if they need it.

7 ENCOURAGE CRITICAL THINKING

Talk about what people might post online and why some posts could cause distress.

8 LEARN HOW TO REPORT & BLOCK

Always make sure that children know how to use the reporting tools on social media apps.

9 KEEP AN OPEN DIALOGUE

If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.

10 SEEK FURTHER SUPPORT

If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
