

White Class have been working on their plot at the allotments. They have been preparing the soil and planting lettuce, radish, cucumber and onion seeds.

Each class has an allotment space and will have an opportunity to grow some crops this year.

ONLINE SAFETY

Personal Electronic Devices

Please can we remind you that as part of our Personal Electronics Policy, in school, children are not allowed to wear smart watches which can connect to the internet or have access to a camera.

Children should also only be bringing phones into school when necessary. These must be switched off as soon as they are on school grounds and handed in. If your child is in year 5/6 they can put these in the phone box at the gate in a morning. If your child is in year 3/4 or KS1 then their phone must be handed to the teacher or put into the phone box near the office. Phones must not be kept in the children's bags. These rules are to keep us all safe.

Thank you ☺

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

Have you remembered to sign up to National Online Safety, who provides resources for all parents and carers. The resources include Parents & Carers courses (presented by Myleene Klass), online video resources and weekly guides covering a huge range of topics.

Sign up by following the link below:
