Online Safety Hub Parental Evening Workshop

Monday 24th June 2024 at 6pm

Dear parent/guardian,

As part of our online safety provision in school, we will now be using Smoothwall's free Online Safety Hub. This is a dedicated resource to help us as a school and to help parents have meaningful conversations with children about their digital safety and wellbeing. The Online Safety Hub provides you with the knowledge and confidence to play a more active role in your child's digital life.

On **Monday 24th June 2024 at 6pm – 7pm**, Lyndsey Vaughton, Smoothwall Education and Wellbeing Training Lead, will be delivering an online workshop for parents to join. In this session, Lyndsey will show you the contents of the new Online Safety Hub, how to access this and talk through some fantastic free resources for parents to use to support you at home with managing the constant evolving online world with your children.

To access this session, please join through the following link:

We do hope you will be able to attend on Monday 24th June at 6pm. The session will end at 7:00pm. If you have any questions, please get in touch.

We look forward to seeing you there.

Kind regards,

Mrs Joanne B. Heap
Headteacher
