

Year 1 Common Exception Words

These are the words that year 1 children are expected to read and spell by the end of the year.

Practise reading these words **every week**. Can your child read the words? Can they write the words? Can they put them into a sentence? Work your way through the list and tick them off as you go. Once your child can read all the words, move onto spelling them. Choose five words per week to focus on. Remember to keep on practising the words throughout the year.
