Where only our best is enough

13th January 2025

Nursery Maths Games

Dear Parents/Carers,

We are excited to announce a new initiative to support your child's mathematical development through fun and engaging activities that can be enjoyed at home!

On **Monday 13th January**, your child will be coming home with a **dice and six counters**, which are yours to keep. These simple tools will be essential for participating in a range of maths games that we will be making available for you to borrow and play at home.

Here's how it works:

- Every day, there will be a selection of maths games outside the nursery.
- You are welcome to choose a game to take home, play it with your child, and enjoy the shared learning experience.
- Once you have finished, please return the game to nursery so another one can be borrowed.

These games are designed to help your child develop important skills such as:

- **Turn-taking**
- **Counting**
- **Number recognition**

By borrowing and playing these games together, you will be reinforcing key mathematical concepts in a fun and meaningful way.

We hope this initiative will be an enjoyable way for you to support your child's learning journey. If you have any questions, please don't hesitate to speak to a member of staff.

Thank you for your continued support!

Miss Gould
