Inter Faith Week

Last week was 'Interfaith week' and the whole school took part in a range of activities designed to reinforce the values of understanding, compassion, multiculturalism and tolerance that are part of our school culture and also the building blocks of strong, flourishing communities.

In Nursey, the children looked at how people worship in different faiths. They practised Diwali dancing, which taught them a story of Diwali, they meditated and learnt how to breathe and clear their minds, they prayed on a prayer mat and sang Christian hymns. The children thought it was lovely to explore different ways of worship.

In KS1, the children explored different faiths and explored how all people are connected by carrying out practical activities. They also created some display work to show how people of all faiths and no faith can stand together and support one another.

In KS2, the children explored different faiths at a deeper level and talked about why and how discrimination can occur often because of a lack of understanding. The children explored the importance of diversity and the interconnectivity of different faiths. They created some artwork and writing to express their learning.
